

BACARDÍ CARTA NEGRA

BACARDÍ Carta Negra is a medium-bodied black rum, expertly blended by the Maestros de Ron BACARDÍ using rum developed in heavily charred oak barrels and then shaped through a secret blend of charcoals.

Sweet, tropical fruit, buttery caramel and vanilla notes give way to a smoky liquorice and molasses finish.

Its robust and intense flavor makes it perfect served as a shot. Its bold flavor also helps it stand up to pairing with intensely flavored mixers such as the coffee liqueur used to create the Nocturno
