

## BACARDI OAKHEART

OAKHEART Spiced Rum Spirit Drink is rested for a minimum of one year in specially selected charred American Oak barrels to impart a hint of smokiness, then shaped through a secret blend of charcoals and finished by adding a secret blend of spices.

The rum delivers the characteristics of oak barrel staves with the essence of bourbon or brandy, a hint of smoke from the charring process, background notes of dried fruit and heavy delivery of sweet creamy butterscotch.

Notes of custard, maple and honey flavors coat the tongue and finishes with a touch of pepper.
