

BOMBAY SAPPHIRE EAST

Originally created as a personal homage to the Far East, where our Master of Botanicals, Ivano Tonutti has spent much of his time sourcing exotic botanicals. Thai lemongrass and Vietnamese black peppercorns are added to our classic botanical blend. All 12 come together during vapour infusion to create a gin that truly stands apart. Infused by exotic eastern flavours, this wonderfully tasteful gin comes with more than added spice and a generous hint of citrus.

Bottled at 42% ABV, it's extra punchy too. Crafted from our original recipe, East has a character all of its own. Ideal with tonic but equally superb in cocktails. However you enjoy it, there's much to look forward to.
