

COURVOISIER V.S

Courvoisier VS Cognac is a blend of several crus aged between three and seven years (four to eight for Russia), composed principally of Fins Bois with a balancing hand of Petite Champagne. The fusion of younger and older cognacs gives Courvoisier VS a fruity, delicate taste and a bouquet filled with ripe fruit and spring flowers. Ripe fruits: The chalky soil in Fins Bois delivers a hint of ripened fruits that is its signature aroma. Spring Flowers: Inhale deeply for the bouquet of spring flowers, which is a hallmark of grapes harvested at their peak from the Fins Bois crus. Fresh Oakiness: The rich, fresh oak bouquet is controlled throughout the ageing process to make sure it doesn't dominate the young cognac.
