

COURVOISIER X.O

Courvoisier X.O. Cognac is a selection by our Master Blender of beautifully matured eaux de vie, aged from 11 to 25 years, to highlight the complexity and richness of cognac aromas.

Is intensely aromatic and flavourful, with a velvety texture and aromatic bouquet, laced with hints of crème brûlée, candied orange and iris flowers.

Crème Brûlée: The careful hand toasting of our barrels lends notes of vanilla and caramel that mature to evoke a warm crème brûlée aroma.

Candied Orange: Delicate ageing in oak produces this sweet aroma that originates from the Grande Champagne crus.

Iris Flower: The sweet and powerful bouquet of irises comes from matured Borderies cognac.
