

CRAZY LIFE

A medium-bodied blend of two white grapes, this sweeter white wine showcases confectionary flavours such as candied lemon drops and jellied fruits. Soothing and refreshing after spicy foods, this wine would pair well with ample Asian fare.

Color: Light yellow with greenish reflections.

Aroma: citrus, sweet grapefruit and lime.

Taste: refined, balanced acidity and pleasant sweetness.

It is recommended to serve the wine at a temperature of 8 - 10 C, along with light fish dishes, chicken and salads.
