EL JIMADOR ANEJO

There's no rush when it comes to el Jimador Añejo. It means 'aged' in Spanish and we're proud to call it the best expression of el Jimador we've ever made. We double distill the finest blue Weber agave and then mature it in American oak barrels for 12 months to craft this award-winning tequila. It's rich, full-bodied and packed with deep spice flavors like cinnamon. Pour it slow and savor every sip.
