

## FINLANDIA MANGO

once upon a time, the vodka found a muse  
from a far away land.  
mango.  
a juicy character with a sweet disposition.  
the perfect guest for your gathering.

Nose: Rich, fresh mango and sweet peach  
notes merge into a crisp honeyed aroma.

Taste: Pleasant, tropical, slightly sweet  
blending in with positive vodka characters,  
Finish: Sweet, round positive after-taste with  
a tart berry note.
