

## HIGHLAND PARK 21 YEARS OLD

Naturally deep and golden in colour, this exceptionally well-balanced expression of Highland Park, bottled at its marrying strength of 46%, is fully rounded and elegantly smooth. Created from just 15 casks, laid down in 1998 and earlier years, it delivers our signature intense balance through wave upon wave of perfectly harmonised flavours.

Our 21 YEAR OLD AUGUST 2019 RELEASE displays the fine maturity of character that befits a whisky of this age and delivers a perfect harmony of spice and fruit on a wave of the aromatic smoke that is the hallmark of Orkney's unique heather peat.

**Color:** Naturally deep and golden

**Aroma:** Bright aromas of freshly-cut pineapple, ripe mango and light golden syrupy give way to an exquisitely balanced harmony of juicy pears, sun-dried sultanas, vanilla pods and nutty toasted oak.

**Palate:** Deliciously sweet and spicy, with aromatic peat smoke lingering on the palate.
