

LOUIS ROYER VS

Young, vivacious, natural, fresh, fruity: Louis Royer VS Cognac will surprise you by its softness. This is the result from the 'very special' attention it receives during its development. To acquire the Cognac appellation and the VS (Very Special) status, the youngest eaux-de-vie used in the blend must not be under two years old. For Louis Royer, this limit is merely a beginning. VS has been made with considerably more refined eaux-de-vie.
