LOUIS ROYER XO

The golden number of Cognac. Louis Royer XO Cognac is a symphony of aromas and flavors, a Louis Royer masterpiece. Rarely has a Cognac been celebrated as such, receiving most prestigious international awards year after year throughout the world.

The Louis Royer Master Blender has doubtlessly created what would be considered as a masterpiece in other art forms - music, painting, sculpture. It is a symphony of ever revealing floral, fruity, spicy and woody notes, making it a Master Cognac at each sip. And as for any great work of art, once discovered it should remain with you for a long time.
