

## MARTINI ASTI

The steep and sun-drenched hills in the heart of Piedmont are an ideal growing environment and a habitat that would enable Moscato to become one of the world's most famous wines.

The cool, fresh sensation of a glass of MARTINI Asti, with its fragrance and low alcohol content, always allows the freedom of another toast. MARTINI's original sparkling wine.

Produced from the aromatic Moscato Bianco grape grown in the unique climate of Asti in the Piedmont region. Delicious after dinner as a sweet conclusion to the evening.
