MATUA SAUVIGNON BLANC

Marlborough Sauvvy is world famous for its unique, fresh flavours. For this wine, we've chosen grapes from across Marlborough, giving you the best crisp and tropical flavours Marlborough has to offer all in one sip!

Refreshingly good! this is classic Marlborough Sauvvy, with bright aromatic herbal notes and a complete array of aromas the style is famous for. Think sage and fresh mint, followed by delicious tropical fruits. This year, the palate has vibrant citrus and pineapple flavours with great length and structure. This is a real doozie.
