

PENFOLDS BIN 51 RIESLING

Created in the 1990s as part of the evolving Penfolds white wine program, Bin 51 captures many of the attributes of the Eden Valley locale. The region's high altitude and cool climate induces riesling with great finesse and elegance with a capacity for long-term cellaring. South Australia has gained worldwide recognition for producing world-class riesling and Eden Valley always features. In their youth, the wines possess scented floral and citrus aromas, with a mineral edge and marked natural acidity, contributing significantly to the palate texture and flavour. The evolution of Penfolds Bin 51 Eden Valley Riesling opens another chapter in a long history of Penfolds involvement in winemaking from this variety.
