## STAR OF BOMBAY

A bolder expression of our signature style. With two additional botanicals, carefully selected then slowly distilled for a more intense flavour.

12 botanicals adding a rich new dimension to our original recipe. Ambrette seeds, solely sourced from Ecuador. And gently dried bergamot orange peel hand-picked in Calabria.

To maintain the integrity of our 12 botanicals, we slow down our vapour infusion process and distil them for longer. Ensuring rich aromas and deeper flavours.

This makes STAR OF BOMBAY an exceptionally smooth gin designed to be enjoyed on its own in a Martini, or in a variety of contemporary cocktails.
