

THE MACALLAN NO. 6

No. 6 brings together the art of The Macallan whisky maker with Lalique exquisite craftsmanship to create a stunning whisky encased in the finest, and most stylish, crystal decanter.

Colour: Spanish Sunset

ABV: 43.0%

Nose: Spanish oak casks deliver wonderful rich notes, elegant and polished. Raisin, dates and figs dominate like a mountain of fruit; sultana and toffee apples add texture and depth. The weight of flavour practically squeezes the juice from the raisins, dark and rich with great viscosity. ginger and cinnamon gently dance around the edges - the ginger slightly dry, the cinnamon soft. dark chocolate is majestic, whilst vanilla sweetness lingers in the background.

Palate: Heavy and sumptuous. Like a rich fruit cake with raisin, dates and figs, apples, sultanas, orange; then ginger, nutmeg, cinnamon and hints of clove. Oak notes are like velvet, soft and chic.

Finish: Silky smooth, this is a cake to savour with a long and full finish.
